CELEBRATE ADOPTION

We welcome your family and your participation in Celebrate Adoption.

We're delighted you've decided to join this dedicated network of families touched by adoption in the Cincinnati Area. Your new membership grants you FREE access to the popular support, discussion, education and social programs we offer.

Our steering committee has embarked on some exciting new initiatives to expand our membership. Be sure to pick up a couple of our new business cards — please share them with other adoptive families who might benefit from our group.

The committee has also developed a new Web site to offer 24/7 access to the wide range of resources, personal stories, and insights shared by our members over the years. **CelebrateAdoptionCincinnati.com** is up, and we welcome your submissions and input.

A Family membership is just \$35 per year. Or, you may elect to become a Contributing Member for \$50 (or more) per year and further enhance our programs and resources for families formed by adoption. Contributing Members can choose to be thanked publicly on our Web site.

Please complete the form below and return it, along with your payment, at your earliest convenience to the address at the bottom of the form.

We very much look forward to seeing you and your family at the next Celebrate Adoption function. Thank you for your support.
